Presidential Determination on the Proposed Agreement for Cooperation Between the Government of the United States of America and the Government of the Federative Republic of Brazil Concerning Peaceful Uses of Nuclear Energy

Memorandum for the Secretary of State [and] the Secretary of Energy

I have considered the proposed Agreement for Cooperation Between the Government of the United States of America and the Government of the Federative Republic of Brazil Concerning Peaceful Uses of Nuclear Energy, along with the views, recommendations, and statements of the interested agencies.

I have determined that the performance of the agreement will promote, and will not constitute an unreasonable risk to, the common defense and security. Pursuant to section 123 b. of the Atomic Energy Act of 1954, as amended (42 U.S.C. 2153(b)), I hereby approve the proposed agreement and authorize you to arrange for its execution.

Notice of October 17, 1997

Continuation of Emergency With Respect to Significant Narcotics Traffickers Centered in Colombia

On October 21, 1995, by Executive Order 12978, I declared a national emergency to deal with the unusual and extraordinary threat to the national security, foreign policy, and economy of the United States constituted by the actions of significant foreign narcotics traffickers centered in Colombia, and the unparalleled violence, corruption, and harm that they cause in the United States and abroad. The order blocks all property and interests in property of foreign persons listed in an Annex to the order, as well as foreign persons determined to play a significant role in international narcotics trafficking centered in Colombia, to materially assist in, or provide financial or technological support for or goods or services in support of, the nar-

cotics trafficking activities of persons designated in or pursuant to the order, or to be owned or controlled by, or to act for or on behalf of, persons designated in or pursuant to the order. The order also prohibits any transaction or dealing by United States persons or within the United States in such property or interests in property. Because the activities of significant narcotics traffickers centered in Colombia continue to threaten the national security, foreign policy, and economy of the United States and to cause unparalleled violence, corruption, and harm in the United States and abroad, the national emergency declared on October 21, 1995, and the measures adopted pursuant thereto to deal with that emergency, must continue in effect beyond October 21, 1997. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing the national emergency for 1 year with respect to significant narcotics traffickers centered in Colombia.

This notice shall be published in the **Federal Register** and transmitted to the Congress.
